THE STATE OF NEW HAMPSHIRE
Town of Wentworth
WARRANT FOR 1995 TOWN MEETING

TO THE INHABITANTS OF THE TOWN OF WENTWORTH, NEW HAMPSHIRE, who are qualified to vote in Town affairs,

TAKE NOTICE AND BE WARNED that the Annual Town Meeting of the Town of Wentworth, New Hampshire, will be held at the Wentworth Town Hall, in Wentworth on Tuesday, March 14, 1995, at 11:00 a.m. to act upon the following subjects:

(The polls will open at 8 a.m. and close at 7 p.m. to vote on Articles 1, 2 and 3 (the election of Town Officers; Flood Plain Ordinance amendment; Expanded Elderly Exemption). (All other articles will be presented, discussed, and acted upon beginning at 7 p.m.)

1. To choose all necessary Town Officers for the ensuing year.
2. (To vote by Official Ballot) To see if the Town will vote to amend the Wentworth Flood Plain Ordinance, as proposed by the Planning Board.

The official copy of the amendment is on file and available to the public at the Office of the Town Clerk and will be on display on the day of the meeting. The following question will be on the Official Ballot:

"Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Wentworth Flood Plain Ordinance, as follows:"

Amendment #1 will replace the existing Flood Plain Ordinance with a new form satisfactory to the State of New Hampshire and to the Federal Emergency Management Agency (FEMA). The adoption of this amendment is necessary in order to continue flood plain insurance coverage in Wentworth."

3. (To vote by Official Ballot) To see if the Town will vote to adopt the Expanded Exemption on Real Estate for the Elderly, as provided in RSA 72:43-b. The following question appears on the Official Ballot:

"Shall we adopt the provisions of RSA 72:43-b and 72:43-c for expanded exemptions on real estate which provide for a resident 65 years of age up to 75, a \$5,000 exemption; a resident 75 years of age up to 80, a \$10,000 exemption; a resident 80 years of age or older, a \$20,000 exemption, provided that said resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least five years as man and wife; said resident had a net income of less than \$7,000 or combined income with spouse of less than \$9,000; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of the value specified in RSA 72:43-c, III; provided that the exemptions shall

be based upon the assessed value of the real estate?"

(Note: The amount referenced in RSA 72:43-c, III, is \$50,000. In figuring "net income" the law excludes certain items of income. If adopted, the exemption would take effect April 1, 1995. By statute, RSA 21:3, references to gender include the opposite gender in any statutory question.)

4. To see if the Town will vote to appropriate the sum of \$143,889 for the purchase of a new fire truck, and to authorize the withdrawal of \$20,000 from the Fire Equipment Capital Reserve Fund, and to authorize the Selectmen to borrow the remaining amount under the Municipal Finance Act under such terms and conditions as they deem to be in the best interests of the Town, and to authorize the Selectmen to sign all documents and take all action as may be necessary to carry out the purpose of this vote.

(State law requires that voting on this Article must be by printed ballot. After the close of discussion, the polls must be open for at least one hour. Borrowing money requires a two-thirds majority vote of approval of those present and voting.)

Selectmen: For 3

Against 0

5. To see what sum of money the Town will vote to raise and appropriate to defray Town charges for the ensuing year.

6. To receive reports from the Selectmen, Clerk, Treasurer, Auditors, Tax Collector and other Town Officers and to vote on any motion relating to these reports.

7. To see what sum the Town will vote to appropriate to replace the Rowentown Bridge and to authorize the Selectmen as agents of the Town to withdraw such sum from the Rowentown Bridge Capital Reserve Fund.

8. To see if the Town will vote to change the purpose of the Rowentown Bridge Capital Reserve Fund to the Bridge Capital Reserve Fund as provided in RSA 35:16.

(Action on this article requires a vote of two-thirds of the voters present and voting.)

Selectmen: For 3

Against 0

9. To see if the Town will appoint the Selectmen as agents of the Town to withdraw funds from time to time, without further vote of the Town, from the Bridge Capital Reserve Fund to improve bridges in the Town.

(Action on this article will authorize the Selectmen to withdraw funds from the Capital Reserve Fund without further Town Meeting vote, limited to paying for improvements of bridges.)

10. To see if the Town will vote to raise and appropriate the sum of \$10,000 to clear, widen and improve the Cheever Road.

11. To see what sum of money the Town will vote to raise and appropriate for Town highways and bridges for the ensuing year (summer and winter).

12. To see if the Town will vote to raise and appropriate \$2,000 to be placed in the Highway Equipment Capital Reserve Fund for snow removal and/or road equipment.

Selectmen: For 3

Against 0

13. To see what sum of money the Town will vote to raise and appropriate to maintain the Police Department.

14. (To be voted on by ballot) To see if the Town will vote to change the length of the term of office from one year to three years for the Tax Collector, as provided under RSA 41:2-b.

The following question appears on the printed ballot:

"Are you in favor of changing the term of the tax collector from one year to three years, beginning with the term of tax collector to be elected at next year's regular town meeting?"

(If approved, election for the first 3 year term will take place at the March 1996 Town Meeting.)

15. (To be voted on by ballot) To see if the Town will vote to change the length of the term of office from one year to three years for Town Treasurer, as provided under RSA 41:26-b. The following question appears on the printed ballot:

"Are you in favor of changing the term of the town treasurer from one year to three years, beginning with the term of the town treasurer to be elected at next year's regular town meeting?"

(If approved, elections for the first 3 year term will take place at the March 1996 Town Meeting.)

16. (To be voted on by ballot) To see if the Town will vote to change the length of the term of office from one year to three years for Town Clerk, as provided under RSA 41:16-b. The following question appears on the printed ballot:

"Are you in favor of changing the term of the town clerk from one year to three years, beginning with the term of the town clerk to be elected at next year's regular town meeting?"

(If approved, elections for the first 3 year term will take place at the March 1996 Town Meeting.)

17. To see if the Town will vote to authorize the Selectmen to appoint the Road Agent pursuant to RSA 231:62. (If the Selectmen are so authorized, the first appointment would be after the March 1996 Town Meeting.)

18. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Library.

19. (To be voted on by ballot) To see if the Town will vote to adopt an exemption for the totally and permanently disabled, as provided in RSA 72:37-b. The following question appears on the printed ballot:

"Shall we adopt an exemption for the totally and permanently disabled? The exemption, based on assessed value, for qualified taxpayers shall be \$5,000. To qualify, the person must have been a New Hampshire resident for at least five years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least five years. In addition, the taxpayer must have a new income of not more than \$12,000 or, if married, a combined net income of not more than \$20,000; and own net assets not in excess of \$30,000 excluding the value of the person's residence."

(If approved, the exemption takes effect April 1, 1995.)

20. To see if the Town will vote to raise and appropriate the sum of \$4,053 for the Warren/Wentworth FAST Squad for operating expenses.

21. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be placed in the Town Maintenance Building Capital Reserve Fund for the purpose of erecting a Town Maintenance Building to house Town equipment.

Selectmen: For 3

Against 0

22. To see if the Town will vote to raise and appropriate the sum of \$6,284 for the following Health Agencies and Organizations:

Visiting Nurse Alliance of NH/VT	\$1,450
Mt. Moosilauke Health Center	2,500
Tri County CAP	800
Pemi Baker Youth Services	408
Task Force Against Domestic Violence	500
Grafton County Senior Citizens	590

23. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

24. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Dump.

25. To see what sum of money the Town will vote to raise and appropriate to pay Waste Management Inc. for the hauling and disposing of solid waste from the Town transfer facility.

26. To see if the Town will vote to raise and appropriate \$5,000 to be placed in the Fire Truck Capital Reserve Fund towards purchasing a new fire truck.

Selectmen: For 3

Against 0

27. To see if the Town will vote to raise and appropriate \$1,850 for the Parks and Recreation Commission for the maintenance of parks, including the Common and Hamilton Memorial Field.

28. To see if the Town will vote to raise and appropriate the sum of \$122 for the Town's share of the cost of the Pemi-Baker Solid Waste District.

29. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Conservation Commission in connection with its activities for such purposes and such uses as deemed necessary by the Conservation Commission.

30. To see if the Town will vote to raise and appropriate \$2,000 to be placed in the Police Cruiser Capital Reserve Fund for the purpose of acquiring a police cruiser.

Selectmen: For 3

Against 0

31. To see if the Town will vote to raise and appropriate the sum of \$350 for the continuance of the Baker Audio-Visual Center established by a Federal grant in 1974.

32. To see if the Town will vote to raise and appropriate the sum of \$677 as the Town's share for the operation of the North Country Council.

33. To see if the Town will vote to raise and appropriate the sum of \$900 for the Planning Board.

34. To see if the Town will vote to raise and appropriate the sum of \$737 to cover a contract with the New Hampshire Humane Society for the Town to have an appropriate place to take stray animals or animals that need to be impounded.

35. To see if the Town will vote to establish a new capital reserve fund to be known as the Reappraisal Capital Reserve Fund for the purpose of conducting a complete and comprehensive assessment of all property values in Wentworth, and to raise and appropriate the sum of \$15,000 to be placed in such Capital Reserve Fund, as provided in RSA 35:1, III.

Selectmen: For 3

Against 0

36. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the Landfill Closure Capital Reserve Fund.

Selectmen: For 3

Against 0

37. To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

38. To transact any other business that may legally come before the Meeting.

Dated this day of February, 1995.

WENTWORTH BOARD OF SELECTMEN

Stephen G. Davis, Chairman

Roy H. Ames, Jr.

Richard F. Borger, Jr.

A true copy attest:

WENTWORTH BOARD OF SELECTMEN

Stephen G. Davis, Chairman

Roy H. Ames, Jr.

Richard F. Borger, Jr.

RETURN

We hereby attest that the within Warrant is a true copy of the Warrant for the 1995 Annual Town Meeting described herein, and further certify that we have caused to be posted an attested copy of this Warrant at the place of the Meeting and a like copy in one other place in the Town of Wentworth, namely the fourteen (14) days before the day of the Meeting, not counting the day of posting or the day of the Meeting.

In addition, we have caused to be posted a copy of the proposed amendments to the Wentworth Flood Plain Ordinance in Articles 2 of the Warrant so as to be on display for the voters on the day of the Town Meeting at the Town Hall.

WENTWORTH BOARD OF SELECTMEN

Stephen G. Davis, Chairman

Roy H. Ames, Jr.

Richard F. Borger, Jr.

This Warrant and Return of Posting has been duly recorded in the Office of the Town Clerk of Wentworth, New Hampshire, this day of February, 1995.

Juanita Farnsworth, Town Clerk

WENTWORTH CAPITAL RESERVE FUNDS 1995

1. Highway Equipment Capital Reserve Fund for snow removal and/or road equipment.
2. Fire Truck Capital Reserve Fund for purchasing a new fire truck.
3. Tax Map Capital Reserve Fund for the purpose of updating the tax maps (established in 1990).
4. Rowentown Bridge Capital Reserve Fund. (Note: The name of this Fund will change to Bridge Capital Reserve Fund if Article #4 in the 995 Warrant passes).
5. Fire Department Communication Equipment Capital Reserve Fund (established in 1993).
6. Police Cruiser Capital Reserve Fund (established in 1993).
7. Town Maintenance Building Capital Reserve Fund (established in 1994).
8. Landfill Closure Capital Reserve Fund (established in 1994).
9. Revaluation Capital Reserve Fund (requested in 1995).

SELECTMEN'S REPORT FOR 1994

The Board of Selectmen are pleased to report that we were successful in extending our expanding Town services in many areas without additional costs to the taxpayers. As you are aware, the tax rate increased for the first time in 3 years. These increases were due to many factors including the large amount of unpaid taxes; the decrease in the Town's surplus funds; increases in educational costs; and the decreasing value of individual property values.

The infrastructure improvements initiated this year were many, and are enumerated in the Road Advisory Committee report on page 76. They were long overdue, and in every instance an absolute necessity. The Board of Selectmen wish to thank each of the members of the RAC for their efforts on the Town's behalf.

This year, with your approval, we added the position of Town Administrator. As many of you have found, this provides much added convenience for those requiring services during regular business hours. Dennis Mahoney was chosen to serve in this position for a variety of factors including his business background and his ability to interface cordially with the citizens we serve. In the months he has served, he has repaid his salary by ensuring revenues available were collected. These included monies owed from bankruptcies and governments.

This year also marked the end of many decades of service to the Selectmen for Ginni Gove. On behalf of those selectmen both present and past who came to know and love her for her words of wisdom and wise council, she cannot be replaced. Accordingly, by unanimous acclaim of the Board of Selectmen, the ENTIRE YEAR of 1995 shall be declared Virginia Gove Volunteer Year in appreciation of her service and dedication to the Town. All official Town correspondence and memorandum shall reflect this fact during the ensuing year.

The strength of our Town comes from its volunteers. The Board sincerely appreciates the efforts of all of the citizens who help make the community of Wentworth the kind of Town that we want to bring our children up in. The names are too numerous to mention but we all know who they are, and we could not be a viable community without them. For those of you who have not had the privilege to serve, please respond when the opportunity arises. The effort of your time will more than be compensated by the benefit it brings both the community and you personally.

Sincerely,

Stephen G. Davis
Roy H. Ames Jr.
Richard F. Borger Jr.

WENTWORTH VOLUNTEER FIRE DEPARTMENT 1994 REPORT

The department responded to 33 emergency calls in 1994, an average year, thankfully with no major structure or forest fires. These calls, together with meetings, training, maintenance and our duties at Norway Pines racetrack account for over 980 logged volunteer man-hours for the 10 firefighters on the roster. Chief Roy Ames spent additional time on safety and heating system inspections. We conducted our annual fire safety programs at the School, and uncounted private hours were invested in organizational detail work, including local groundwork for the 9-1-1 system coming in July.

We are also sad to have lost the services of Tom Morrison. Tom was a vital part of the department for many years, and we wish him well now that he lives in Plymouth where he is pursuing a career as a full-time firefighter.

Improvements this year include new insulated doors at the station house to save heat, and the addition of 4 inch hose to our water delivery system. Since we share waterlines with the library, the department purchased a new pump when the old one failed over the summer.

The major issue before the department and town this year is the proposal for a new main pumper. We have spent hundreds of hours on this, contacting 30 manufacturers and ultimately interviewing 5. Based on that research, we are convinced that a new truck not only makes sense from the firemen's standpoint, but also financially, compared with the cost to refurbish the current truck, and the possibility of sharp homeowner's insurance increases should the town lose its present Class 9 rating by not having a certified pumper.

From the taxpayer's standpoint, there is never a good time to appropriate funds for a major purchase. On the other hand, there is never a good time to be without the equipment to respond to an emergency where homes and lives are at stake. Nor is there any good time to pay more for the same or less reliable service. As the townspeople have always recognized the importance of fire services and have been supportive of the department in the past, we hope they will see the wisdom and benefit of voting this appropriation.

Respectfully submitted,
Robert Moulton, Secretary, W.V.F.D.

1994 WENTWORTH POLICE REPORT

The year 1994 proved to be a very educational year as Chief of the Wentworth Police Department. The demands on all police agencies became higher with the introduction of the *BRADY LAW* that had taken effect on March 1st. This law requires that all prospective handgun purchasers fill out a form of intent to purchase and submit it to the gun dealer. The dealer, in turn, sends it to the police chief in the town in which the purchaser resides. The chief must then do a criminal background check on the person and reply to the dealer within five days, as to an approval or denial of the handgun sale. Other demands came from the NH Police Academy regarding training to maintain certifications. I feel that we are fortunate to have officers that work full-time in other communities working here and bringing knowledge and experience to this department. Through months of researching and editing, a Standard Operating Procedures and General Orders Manual is being prepared, and will be made available to all officers within the department. The reason is to cover the town on liability issues dealing with the procedures and duties that face this towns' police officers. The days are over when a chief would be elected, have a badge pinned on his or her shirt, and told "save the town", then sent on his or her way. Anyway, philosophical 'chit-chat'. The town of Wentworth saw a remarkable increase in calls for service over the year. Fortunately, the State Police were there to assist with times when the Wentworth Police Department was not available, due to uncontrolled circumstances, as we all hold full-time jobs elsewhere. I often heard, over the course of the year, people who stated they never see the cruiser out at all. The response I can give to this statement is that we don't maintain a routine schedule on patrols. To explain this further, we don't go out and work the same time every day. This year, Wentworth Police Department applied for assistance from the NH Highway Safety Agency for increased patrols in the area of traffic and DWI enforcement. Unfortunately, the funds were depleted by the time our departments' name came up, and we were not able to receive assistance. As far as the cruiser is concerned, I think the department is 'in good shape' for a while. The car is a 1989 Chevy Caprice, with 94,000 miles on it. It recently had a tune-up and a brake job, so I don't anticipate any major problems this year.

In closing, I would like to thank everyone who assisted this department in 1994, and hope this department can better serve you in 1995.

Very truly yours,

R. P. Chierichetti,
Chief of Police

WEBSTER MEMORIAL LIBRARY

Librarian's Report

December 31, 1994

Library hours are Monday 3:30 to 6:30 p.m., Wednesday 3:30 to 8:30 p.m., and Saturday 10:00 a.m. - 12:00 noon. The Librarian is Donna Herlihy and the Assistant Librarian is Sharon Sanborn.

Our collection includes both fiction and non-fiction materials for all ages and interests. If you can't find what you are looking for in our collection, we can usually borrow it for you from another New Hampshire public library. We have videos, audio cassettes, CD's, records, audio books, large print books, games, puzzles, puppets, and a map collection. We have a wide variety of magazines and three newspapers. There is also a television with cable, a VCR, and a copier for public use. The library receives many very generous donations of materials from area residents. This helps stretch our budget tremendously and we would again like to express our thanks to these donors for their thoughtfulness and generosity.

We again ran a Summer Reading Program in the summer of 1994. Thirty-seven area children participated and collectively read several hundred books. We'd like to thank the Wentworth Elementary School PTO for their generous donation of funds to buy books for prizes for all participants. We'd also like to thank all the people who helped entertain, read to, and make the whole program run smoothly.

We are fortunate here in Wentworth to have a group of very enthusiastic library volunteers. They collectively put in many hours this year sorting books for the booksale on Market Day, processing books, filing cards, and helping present programs to the public. We really appreciate their help and look forward to working together in the future.

During 1994, 2,700 visits were made to the library. 8,988 items were circulated. These included 2,601 items from our general collection, 4,033 from our children's collection, 1,416 periodicals, and 938 audio-visual materials. We borrowed 178 books from other libraries and lent out 63.

We added 313 new items to our collection in 1994. These included 130 to our general collection, 180 to our children's collection, and 3 audio-visual materials. 260 items were purchased from town appropriations and 53 were gifts.

Our collection currently contains the following:

General collection fiction	4,226
General collection non-fiction	6,028
Children's fiction	1,940
Children's non-fiction	1,522
Audio-Visual Materials	554
Magazines	57
Newspapers	3

LIBRARY TRUSTEES REPORT

1994

The Trustees are pleased to report that during 1994 some of the planned long term repairs and improvements to the physical plant or library structure were completed. We were able to repair the main entrance steps that were so badly deteriorated; resurface the entire porch floor with just enough slant to cause it to drain away from the building and alleviate some of the moisture problems in the basement area; add attractive and functional step railings to the main entrance; and to replace the badly deteriorated library sign over the main entrance. All of this work was done at no cost to the taxpayers. Funds for the entire project were from contributions received from Thelma Gove Jordan, a native and former resident of Wentworth and her former employer - The Readers Digest Foundation. Thelma and her former employer have been contributing \$1,000 and \$2,000 respectively to the library now for six consecutive years. The Trustees have set aside and used these contributed funds for major improvements to the library plant and have planned such improvements on a long term basis in an effort to preserve and protect the library building and lot. On behalf of the entire town of Wentworth the Trustees wish to take this opportunity to thank Thelma and the Readers Digest Foundation for their generous contributions over the past six years, and also to publicly thank Architect Ward D'Elia of Ashland for having contributed his time and professional expertise to plan and advise the Trustees and contractors in the above projects, and to also publicly thank John Lester of Warren, who removed the old sign, designed and installed the new sign. The Trustees are sincerely grateful to all of these people who have, by their contributions, not only made it possible for the projects to be completed but also made our jobs easier.

The consideration of a roof over the porch was thoroughly explored during 1994 and upon the advice of the architect the decision reached that such an addition, while offering functional improvements that were desirable, would be detrimental to the building aesthetics. Remaining projects to be considered are those of what is best to do with our windows problem -- leaded panes repair or replacement; painting and cleaning of exterior building; additional coat of asphalt to eliminate water pooling in front of main entrance, etc.

We found it necessary to replace the water pump and the water storage tank at the library during the year 1994. We had long expected the pump to expire and had been informed years ago that this relic would not be subject to repairs since parts were no longer available. The tank appeared to be ancient as well and the failure of both items at different times during the year came as no surprise. Both units were replaced by Davis Gas Company of Wentworth. The pump replacement cost was \$467.23 and the tank replacement cost was \$611.45. The Wentworth volunteer firemen reimbursed the library for the cost of the pump! The town taxpayers, as well as the library personnel, owe these firemen a debt of gratitude for their generosity!

We experienced two separate incidents of theft at the library during 1994. Although both incidents involved very minor dollar values for the items stolen it represents the first time that we have experienced theft of items from the library as

far as we know. One of the large globes covering the lights along the porch was stolen and, in our opinion, required someone other than children to remove from the fixture. The second item stolen was a near new hose spray nozzle.

The Trustees take this opportunity to thank all of those who have contributed funds, time, books, magazines, videos and suggestions to the library during the past year. We are grateful to all of these people.

MOUNT MOOSELAUKEE HEALTH CENTER

1994 REPORT

The past year continued an important process of development and transition for the Mount Mooselauke Health Center. Throughout 1994, the Center Staff, Board and many Volunteers continued the important effort to sustain a comprehensive primary care facility for the medically underserved towns of the Baker River Valley. During the past year, the center completed an affiliation with Ammonoosuc Community Health Services to establish a service delivery network and centralized management structure. This affiliation allows the Mount Mooselauke Health Center to operate more efficiently and brings greater long term stability to the services we provide to the residents of Warren, Wentworth, and Rumney.

Dr. Mandy Gennaro completed her first year with the Center in September and the Health Center Staff and Advisory Board appreciate all the good work she has done for our community. Over the past year, the Center has sponsored several health professional students for brief periods to train in rural health care with Dr. Gennaro and the Health Center staff. Dr. Gennaro has also recently received an Adjunct Faculty appointment with the Dartmouth Medical School to continue this important community-based training effort. One unfortunate change is that Mark Brezina, ARNP has elected to leave the Center in the beginning of 1995. We will all miss Mark and the caring attention he offered our patients. We hope to recruit another Family Nurse Practitioner to take over Mark's position early in 1995.

The core services of the Center are built around our family practice, including preventive and acute services for all ages. The family practice currently sees patients by appointment Monday through Thursday. In addition to the family practice, other Center services include a women's health clinic every Tuesday afternoon in cooperation with the Dartmouth-Hitchcock nurse midwifery outreach program, state-subsidized Well Child and Prenatal Services, a WIC program in cooperation with Ammonoosuc Community Health Services, a diabetes support group, an emergency food pantry, a car seat program, volunteer outreach to the homebound, and special preventive clinics for hypertension, foot care, cancer screening, and adult immunizations. Barbara Smith, MS, RD also continues to provide nutrition counseling services at the center for prenatal patients and other patients by appointment.

During 1994, the Mount Mooselauke Health Center provided over 3,143 medical visits including 2,430 visits to residents of Warren, Wentworth, and Rumney; an increase of more than 16% over 1993. The health center continues the policy of offering a discounted fee scale to uninsured individuals and families with limited incomes, as well as for beneficiaries of Medicare and Medicaid. Our ability to continue these policies and to sustain services in general are dependent on the tremendous support we receive through Town and individual contributions, as well as donations of time from many wonderful volunteers. We thank you all very much and look forward to a Healthy 1995.

Respectfully,
Jonathan Stewart
Managing Director

**VISITING NURSE ALLIANCE OF VERMONT
AND NEW HAMPSHIRE
MASCOMA HOME HEALTH SERVICES
1994 Report to the Town of Wentworth**

We are pleased to have the opportunity to provide this 1994 report on the activities of the Mascoma Home Health Services, a branch of The Visiting Nurse Alliance of Vermont and New Hampshire. It is our 25th year of providing home health care, hospice and community health services for the residents of your community.

This has been yet another year of extraordinary growth in requests for services affecting all of our programs, especially home visiting. This continued growth in home care services was driven by at least two familiar trends: shorter hospital stays requiring more intensive home care services immediately after discharge and the growing numbers of very disabled, chronically ill, frail older persons, requiring longer term care to promote their independence in the community. Home visits to the residents of Wentworth increased 12% over those reported in 1993. Our staff, with their experience, dedication and skill in caring for people in their homes, has made it possible for us to not only meet this challenge but also the challenge of achieving the highest standard of performance possible for a home care agency -- full accreditation from the Joint Commission on Accreditation of Healthcare Organizations.

Home visits provided by our staff in the Mascoma Branch office for persons in the Town of Wentworth for the period 7/1/93-6/30/94, were as follows:

	<u>Visits</u>
Nursing	313
Physical Therapy	36
Occupational Therapy	40
Home Health Aide	406
Homemaker	<u>14</u>
Total Visits	809

The Family Health Services Program is available to young families in your community. This program includes a Well Child Clinic, a Women, Infants and Children (WIC) Program and a Home Visitor Program. The WIC Program provides nutrition education, food vouchers and health care referral sources to mothers and children from low income families (31 clients, 184 clinic visits). The Home Visitor Program provides professional support, information and understanding to parents who are struggling with the overwhelming task of raising children (three families). This program affords the nursing and family support staff an early opportunity to identify and support parents at risk for developing parent-child relationship problems and to develop a plan of care specific to the individual needs.

The Agency also conducts other community screening clinics, flu clinics, foot

clinics and other health programs such as blood pressure screenings and cholesterol testing.

The Board of Trustees and the Incorporators Group, where your interests are represented by members of your town, the staff, and the people who are helped by our care, all thank you. We believe in the value of home and community health care and appreciate all that you do to support our efforts in your community.

Respectfully submitted,

Elizabeth J. Davis, RN, MPH
Chief Executive Officer.

WARREN/WENTWORTH AMBULANCE ANNUAL REPORT 1994

Warren/Wentworth Ambulance Service has had another busy year with calls ranging from respiratory, cardiac problems to major traumas. All of these calls take a toll on not only family and friends of the patient but squad members feel a definite loss.

This past year the squad has had a shortage of members, making the stress level even greater. With the ultimate goal being to provide that person in need of emergency care the readiness and most professional coverage as soon as possible, sometimes that required us to call for mutual-aid from other areas which they answer the call with a quick response, no questions asked as we have for them in the past.

Recognizing the need of more ambulance trained personnel we will be running a First Responder course in February 1995, hopefully to gain more personnel to build up not only the squad but morale and to provide our area with the best possible emergency coverage.

Billing insurance companies did take effect as of September 1, 1994, however the delayed process of receiving funds from insurance companies requires us to once again to ask for your financial support.

Your new ambulance did go in service January 17, 1994, it is very exciting to all, we are all very proud. We thank all who support us in any way.

Future plans for the Warren/Wentworth Ambulance Service are to hopefully erect a building to house our new ambulance and to put our old ambulance back in service and to meet OSHA standards. Any suggestions or comments from townspeople would be greatly appreciated.

At the present time all EMT's on squad are qualified to run the defibrillator so as to provide the same level of care for everyone when the need arises.

I would like to thank all the squad members for their dedication and for their time spent on call, training and helping with fundraisers.

On behalf of the Warren/Wentworth Ambulance Service, thank you for your continued caring and support.

PLANNING BOARD REPORT FOR THE YEAR 1994

This was not a busy year. The only requests acted upon were one boundary line adjustment and one minor subdivision. The latter simply recognized the separation of two tracts of land that had been purchased in previous years as separate parcels.

Changes to the Town's Flood Plain Ordinance have been worked on and a public hearing was held prior to Town Meeting when the proposed ordinance is to be voted on.

Expenditures were limited primarily to postage and the printing of notices. A four drawer file cabinet was purchased as were copies of the 1995 NH Planning and Land Use Regulations so that each planning board member could have one.

Next year's budget request has been submitted and shall be acted upon at the Town Meeting in March.

Respectfully submitted,

Michael J. Clark
Chairman

**WENTWORTH PARKS AND RECREATION COMMISSION
YEAR END REPORT
YEAR ENDED DECEMBER 31, 1994**

Nineteen-ninety four was an extremely productive year for the Wentworth Parks and Recreation Commission. With monies appropriated at the annual Town Meeting the Commission was able to purchase a lawn mower. This new mower proved to be extremely helpful in maintaining the waterfront park. We continued to maintain the swimming hole and waterfront park areas. We were able to have portable-pottie units installed at the swimming hole. We were also able to have trash picked up and removed from these areas on a regular basis. We have had increased involvement from many new people in the town and we welcome this additional support and involvement.

Respectfully submitted,

Palmer Koelb
Chairman

Supplies	\$82.36
Portable Toilets	\$570.00
Water Test	<u>\$24.00</u>
Total Expenditures	<u><u>\$1,526.36</u></u>

GRAFTON COUNTY COMMISSIONERS'

1994 ANNUAL REPORT

The Grafton County Commissioners are pleased to submit the following report to the citizens of Grafton County. Despite some major personnel changes during the past year, we have enjoyed a smooth transition, thanks in large part to the concerted efforts of our employees, including department heads, our administrative team, and the employee council.

After twenty-five years of service to the county, our Executive Director, Evelyn Smith, retired, effective December 31, 1993. Although she is sorely missed, her position has been ably filled by Ernie Towne, moving from Superintendent of Corrections, after an extensive search. His former post has been taken over by Sidney Bird, who joined us in April of 1994 after extensive corrections experience in Miami, Florida.

The resignation of Nursing Home Administrator John Richwagen necessitated the establishment of yet another search committee and review of resumes. In late November John Will migrated north from Massachusetts to join us as the Administrator of the Grafton County Nursing Home. During the nearly five month interval Office and Personnel Supervisor, Joanne Mann, did an outstanding job as Acting Administrator. Another change at the Nursing Home and Department of Corrections was the addition of Dr. David Fagan as Co-Medical Director, joining our long-time Medical Director, Dr. Harry Rowe.

Another change in personnel will be the succession, in January of 1995, of a new Commissioner from District 3, Steve Panagoulis of Plymouth, taking over Betty Jo Taffe's seat. Betty Jo, after many years' interest in and association with Grafton County, opted not to seek re-election in order to join her husband on his sabbatical. We shall miss her and wish her well, as we welcome Steve to his new responsibilities.

In November of 1993 construction of an expanded Special Needs Unit was completed at the Nursing Home and 20 residents moved into their new quarters. Family Day was held once again for Nursing Home residents and their families, and continues to be a huge success. It is one of the residents' favorite annual events. Also, during the year County Nursing Home employees rejected an attempt to unionize, opting instead to continue with the current employee council.

During FY 1994 Grafton County saw the completion of Phase I of the AHEAD, Inc. Community Development Block Grant (CDBG), used to purchase and renovate low and moderate income housing in the Littleton area, and made significant progress on Phase II.

In addition, the Office of State Planning notified the county that it had been awarded a two-year CDBG of one million dollars for the Whole Village Family Resource Center in the Plymouth area. Funds will be used to construct a facility which will house local human service agencies that work with children and families.

During early FY 1994 the County Long Range Planning Committee presented a preliminary plan for addressing County Courthouse space needs. The County hired CMK Architects of Manchester, NH to conduct a feasibility study of the options presented by the committee: renovation and construction of an addition to the courthouse or an annex as soon as funding is available. In the meantime, the Commissioners approved the state's plan for renovating the Grafton County Superior Court Office at state expense.

Once again Grafton County observed April 16-23 as County Government Week. Activities included an information both with educational materials and county employees on hand at the Powerhouse Mall in West Lebanon, an art exhibit at the County Courthouse, and public tours of county offices. The Commissioners also recognized employees for their years of dedicated service to the county. In May a Conservation Field Day for school children was held at the Grafton County Farm, and in June the farm hosted an open house.

Financially, fiscal year 1994 was successful, in that revenues exceeded budgeted expenditures by \$378,814, due in part to the unanticipated receipt of nearly a half-a-million dollars of Medicaid Proportionate Share funds, to partially offset the cost of serving a disproportionate share of Medicaid recipients at the nursing home. Human Services costs, over which we have essentially no control, continue to rise. Savings effectuated in other departments allow us, in our FY 1995 budget, to keep our increase in revenues to be raised by taxes to 3.1%, with a total budget of \$14,818,299.

A more detailed explanation of FY 1994 is found in our annual report, copies of which are available at our office, which may be reached by calling 787-6941.

The Commissioners hold regular weekly meetings at the County Administration building on Route 10 just north of the County Courthouse in North Haverhill, with periodic tours of the Nursing Home, Department of Corrections, County Farm and Courthouse. The Commissioners also attended monthly meetings of the County Delegation's nine-member Executive Committee. All meetings are public, with interested citizens and members of the press encouraged to attend. Call our office at the above number to confirm date, time and schedule.

Once again, we are extremely grateful to all who have helped make several successful transitions, who have worked hard for the county, and who have assisted the Commissioners - dedicated staff members, elected officials, other agency personnel, our many wonderful volunteers, and the public - all of whom have made our job easier and rewarding.

Respectfully submitted,

Grafton County Commissioners

Betty Jo Taffe, Chairman (District 3), Barbara B. Hill, Vice-Chairman (District 1), and Raymond S. Burton, Clerk (District 2)

NORTH COUNTRY COUNCIL 1994 REPORT

The year 1994 has been a record project year for the Council. In 1994, we received approval for \$3 million of EDA Title I construction assistance for member towns and submitted a proposal for another \$1.5 million for a project in 1995. The \$4.5 million resulting from these projects will go a very long way toward development of jobs in three of the region's growth centers. We are working diligently to see another \$5 million investment in three other growth centers and development target areas over the next three years from EDA.

The Council's Transportation Planning program continues to grow in stature and accomplishments. In addition to completing a regional bike-pedestrian plan this year, we coordinated a regional transportation enhancement program which resulted in \$2 million worth of innovative transportation projects being funded in the North Country. We also provided major road and bridge technical assistance to eight towns in cooperation with NH DOT. Two additional towns received help with Road Surface Management Systems, bringing the total number of towns in the region with NCC RSMS programs to ten. This coming year will be busier than last with the assembly of our Regional Transportation Improvement Plan, Scenic Byways Initiative, Route 16 Corridor Study, Statewide Transportation Modeling Study and numerous local road and bridge projects.

In 1994 the Council hosted the second Annual Ingenuity Fair at Bretton Woods. The Fair showcased the products of 100 North Country manufacturers and was attended by 10,000 people. Our third Annual Business Conditions Survey was mailed to 3,000 businesses across the region. The results of the survey provided valuable insight into workers comp, credit availability, and general business conditions in the North Country. The fourth survey is being compiled at the time of this report.

The Council has also been involved in the design and development of three recreation facilities across the region and has provided engineering assistance for landfill closures, environmental site assessments, large septic projects, road drainage and realignment projects and water system installations in 12 different towns.

With funding from the Environmental Protection Agency the Council was able to digitize hydric soils and high altitude satellite image maps of wetlands for all 51 towns in the region. The maps were distributed gratis to all towns in the region. The Council provided flood plain management, and flood insurance technical assistance to 7 towns this year and provided over 600 hours of local planning technical assistance. We continued to provide circuit riding planning assistance to two municipalities.

Two multi-community programs were started, one involving four communities, to begin a dialogue of use of the Moore Reservoir and the Connecticut River, and the other involving twelve towns to look at cooperative economic development in

the central part of the region. Community Development Block Grants were written for five towns and all the grants were funded.

The Council has accomplished all these projects (and many more that cannot be listed here due to space limitations), with a very small staff. We are committed to staying as lean as possible. Staff people on board that are available for regional activities are: Preston Gilbert, Executive Director; Cathy Conway, Engineering Coordinator; Claire Douglass, Planning Coordinator; James Steele, GIS Coordinator; Sharon Penney, Transportation Planner; Liz Ward, Small Business Development Coordinator; Berta Clerk, Secretary; and Marghie Seymour, Solid Waste Consultant.

The Council is your organization. We are membership based, and we exist to respond to the needs of the region. On behalf of the Board of Directors, I want to thank you for your involvement and support. We're here as you need us.

Sincerely,

Preston S. Gilbert
Executive Director

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1994, our three (3) leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

<u>Fire Statistics</u>	<u>1994</u>	<u>Average 1990-1993</u>
Number of Fires Reported to State for Cost Share Payment	283	443
Acres Burned	217	246

Suppression cost - \$90,000+

<u>Fires Reported by Lookout Towers (1994)</u>		<u>Fires Reported by Detection Aircraft</u>
Fires Reported	588	89
Assists to Other Towers	363	
Visitors	21,309	

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

"REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!"

John Q. Ricard
Forest Ranger

John Cormiea, Jr.
Forest Fire Warden

1994 ANNUAL REPORT CONSERVATION COMMISSION

We have been busy this year helping citizens with their permits and we have been kept busy attending many meetings and seminars around the state on Conservation issues and Wetland problems.

The Wetlands Board now has a new type of permit, called the "Wetlands Expedited Minimum Impact Project Permit" which has been thrown into the laps of the local Conservation Commissions. It is an unfunded mandate which is like so many other unfunded mandates that the state has, that force towns to pick up the expense.

If we have no Conservation Commission, or if the Conservation Commission doesn't act on these expedited minimum impact permits they would be summarily dismissed by the wetlands board.

If the Conservation Commission doesn't sign the minimum impact permit the wetlands board has to take care of it in another way and it will take much longer to get the permit.

The forms for these expedited minimum impact permits should be in the hands of the town clerk at this time. These permit forms are available at the town clerk's office to be filled out and brought to the Conservation Commission for approval and signature.

The Wetlands Board has become increasingly difficult to work with because of their insidious quest for power in Concord and less options are available for the town government. We continue to work with the Wetlands Board on issues that affect various towns people.

It is very satisfying to both help the people of Wentworth, and at the same time to help protect our environment.

Respectfully submitted,

Robert L. Murray
Chairman

PEMI BAKER SOLID WASTE DISTRICT 1994 ANNUAL REPORT

For the fifth year in a row, the Pemi Baker Solid Waste District organized and held a Household Hazardous Waste collection for the residents of all the district towns. The collection was held in the early summer this year, with district committee members volunteering their time to direct traffic, take the required New Hampshire Department of Environmental Services survey of all participants, and collect waste motor oil and automobile batteries. The turnout was very small once again, and the committee plans to offer a different program this coming year. Working with the Northeast Resource Recovery Association and North Country Council, the new program involves having several collection sites for paint for recycling and household batteries all of which will be accessible to all residents from April to October, in conjunction with a one-day collection in the fall. In this way we hope to be able to serve more people and collect a greater volume of toxic materials.

The State of New Hampshire requires that all towns in N.H. belong to a solid waste district and that each district have a long-term solid waste management plan which is updated every two years. The Pemi Baker Solid Waste District plan was updated this year by the district and the N.H. Department of Environmental Services approved the update in December 1994.

Membership in the Northeast Resource Recovery Association gave the district towns access to the new textiles recycling program. The district attempted to raise interest in a district-wide textiles recycling drive which would have raised money for the area's schools or civic groups while diverting another waste material from the towns' waste streams. We had very limited response from the towns, despite offering to cover all costs associated with publicity and coordination of the collections. We hope to offer the opportunity again in 1995 and encourage any interested groups or towns to contact the district coordinator, Marghie Seymour, at 444-0848.

Approximately one-third of the cost of operating the Pemi Baker Solid Waste District has been covered over the past several years by the interest earned on a capital reserve fund. The capital reserve fund was initially established with funds that were raised by the member towns and invested by the district after plans to build a district incinerator fell through. Members of the district committee voted in October 1994 to look into options for using the money in that fund on a recycling or solid waste management project, or projects, that would benefit all the towns in the district. We will explore those options this coming year.

Pemi Baker Solid Waste District meetings are held on the third Thursday each month at 7:00 p.m. Meetings are usually held at the Plymouth State College Facilities Services building and interested parties should contact their town offices for more information.

THE TASK FORCE AGAINST DOMESTIC AND SEXUAL VIOLENCE PROGRAM DESCRIPTION

The Task Force Against Domestic and Sexual Violence is a non-profit volunteer organization, which provides assistance to victims of domestic and sexual violence. The Task Force, a member group of the New Hampshire Coalition Against Domestic and Sexual Violence, serves 18 towns: Alexandria, Ashland, Bridgewater, Bristol, Campton, Dorchester, Ellsworth, Groton, Hebron, Holderness, Lincoln, Plymouth, Rumney, Thornton, Waterville Valley, Warren, Wentworth, and North Woodstock. It is the only organization of its kind in southeastern Grafton County.

Since its inception in 1981, the organization has maintained a 24-hour crisis line, staffed by volunteers who provide legal advocacy, emergency shelter, transportation, food, emotional support services and referrals to its clients. Organization members also coordinate and conduct community outreach programs.

In 1992, the Task Force expanded its mission to include the Child Advocacy Program, which provides services to children from violent homes. Services include support groups for children, social service advocacy, temporary childcare, parenting skills, and a peer education program.

Providing support services to the volunteers are the five staff members: Resources Director, Support Services Director, Fiscal Director, Child Advocacy Director, and Shelter Manager. All are supervised by the Board of Directors.

Between 1981 and 1993, the Task Force members answered approximately 3,500 calls from all the towns it serves. Many of these calls were referred to us by the local police departments, the court, physicians, counselors and therapists.

Volunteers and staff adhere strictly to NH law (RSA 173-B:21), which requires that they maintain confidentiality with regard to persons served by them and files kept by the organization. Also, as required by law (RSA 173-C Privilege Bill), all information received by a volunteer or staff member in the course of a relationship with a victim is confidential. This law allows the Task Force to keep its location from being made public.

PEMI-BAKER YOUTH AND FAMILY SERVICES COUNCIL ANNUAL REPORT

The Pemi-Baker Youth and Family Services Council, Inc. is an organization dedicated to promoting community-wide approaches to aid the development of healthy families and children. The Council currently coordinates four programs:

- 1) **Juvenile Court Diversion** - a program for first time juvenile offenders, allowing them to be held accountable for offenses without going to court.
- 2) **The Challenge Course** - a 15 hour early intervention drug and alcohol program for young people whose use of alcohol and other drugs has come to the attention of a parent, school official, police, court or other person (including themselves).
- 3) **Information and Referral** - provides residents of 17 town region with access to information about human services in the area. During 1993 the Council received approximately 150 calls and visits through this program.
- 4) **TIME/Host Homes** - The Council administers program providing short term housing for young people in need of time away from home as an alternative to running away. Program initiated in the Fall of 1993.

Over the past year, the Council has continued publication of "**Families First**", a column published twice a month in the **Record Enterprise**, produced a Student Resource Card for distribution to all students at Newfound and Plymouth Regional High Schools, provided administrative support to the third annual Conference for Parents (held in Plymouth each September), coordinated the area celebration of Red Ribbon Week and started a group for mothers of teenage daughters.

Over the next year the Council is looking towards opening and staffing part-time offices in Bristol and Lincoln, collaborating with local schools to expand drug and alcohol prevention programs and expanding the services available to participants in court diversion.

Total service figures for 17 town Plymouth District Court Region are as follows:

Program	Program Total
Juvenile Court Diversion	46
Challenge Course	30
Information and Referral	160

Respectfully submitted,

John LaCrosse
Director of Services

GRAFTON COUNTY SENIOR CITIZENS COUNCIL ANNUAL REPORT 1994

Grafton County Senior Citizens Council, Inc. provides services to older residents of Wentworth through the Plymouth Regional Senior Center. These services include home delivered meals, a senior dining room program, transportation, outreach and social work services, health education, recreation, information and referral, as well as opportunities for older individuals to be of service to their communities through volunteering.

During 1994, 21 older Wentworth residents were served through all of GCSCC's programs. These individuals enjoyed dinners at the Plymouth Center, received hot, nourishing meals delivered to their homes, used transportation services, contributed hours of time, energy and talent to support services, used the services of our social workers. Services for Wentworth residents were instrumental in supporting many of these individuals as they attempted to remain in their own homes and out of institutional care despite physical frailties.

GCSCC staff also works closely with other agencies to assist older Wentworth residents and their families in taking advantage of available programs and services which will improve the quality of their lives.

GCSCC very much appreciated the support of Wentworth for services which enhance the independence of older residents of the community.

Carol W. Dustin, ASCW
Executive Director

NEW HAMPSHIRE HUMANE SOCIETY REPORT

The 1994 totals of the number of animals brought to the NH Humane Society shelter from your town are as follows:

By your animal control officer:

Dogs & Puppies: 1 Returned to Owner: 0

Cats & Kittens: 1 Returned to Owner: 0

TOTAL: 2

From local residents Stray cats from residents: 1

Dogs & puppies: 0

Cats & Kittens: 13

TOTAL: 13

Total number of ALL animals received: 16

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1994. Your Society's shelter has been inspected and licensed by the State and fulfills your animal shelter requirements.

Every town has stray animal problems. We encourage your town and especially your Animal Control Officer to use our services more in 1995.

Sincerely,

Mark Ackerman
Executive Director

TRI-COUNTY COMMUNITY ACTION PROGRAM REPORT

Again this year, Tri-County Community Action Program, a private not-for-profit agency, requests funding assistance for our Outreach Program in Wentworth in order to provide necessary social services. For 1995, we would like to request \$800 from your town.

Our Outreach Coordinator, Sylvia Kinne, at the Woodsville Outreach Center has salary and office expenses paid for three (3) months of the year by the Fuel Assistance Program Grant that we receive. The funds to keep the local Outreach office open the additional nine (9) months of the year come from your town and those of your neighbors, some of the Community Shelter Grant funds, and from some of the N.H. Emergency Shelter Grant funds.

Because of the reduction in federal funds received for our Outreach Program, we are asking for your continued financial assistance with a modest increase.

In summary, this past year the Woodsville Outreach Center has served 44 households consisting of 126 people for the Town of Wentworth plus providing them with 97 client service units. In addition, we have provided area families with \$31,581.56 in direct services or products. Families in the town of Wentworth recieved \$12,131.97 in fuel assistance.

If you have any questions regarding these services or this request, I shall be glad to hear from you.

Sincerely,

Carleton R. Lord
Outreach Director
1-800-552-4617

ROAD ADVISORY COMMITTEE REPORT

1994 brought many challenges to the Road Agent and the Committee while trying to balance the need to improve our roads and bridges while staying within the budget laid out during the 1993 Town Meeting. There were successes in many areas, and disappointments in others.

The road reconstruction and repaving project approved last meeting was not fully implemented for a variety of reasons including the fact that the \$184,000 bond agreement was not financed until late June. This did not allow the time needed to fully launch the project. Once funded, neither the gravel nor the asphalt were available in time to allow repaving this year. This project will be fully operational in 1995 as soon as the weather permits.

During the summer months, Noel King prepared a large section of the South Wentworth road for paving. If you go down to the section of highway by the Evan's bridge, you will notice that the roadway has been widened and elevated (by an average of 6 feet!) to prevent flooding during the spring. This required extensive logging and blasting to prepare the site. Further up, by the Geiger residence, we also developed and negotiated a plan to widen the roadway and improve the approach.

The majority of Noel's time was spent repairing and upgrading our bridges throughout the Town. A full list of his efforts include:

- Redecking and new railing to the Evan's bridge.
- New structural supports and repair of the Rowentown cross road bridge.
- New structural supports and decking of the Martins Brook bridge.
- Various repairs including redecking of the Gowen bridge.

In 1995, there remains the Blueberry Hill (W. Ellsworth) bridge to repair as well as replacing of the abutment to the Evans bridge. The permanent bridge to Rowentown is also slated to be built to replace the temporary Bailey bridge. As can be seen, much will be accomplished.

We sincerely appreciate the cooperation the Town received from Iona White during the year. She allowed the logging and widening of the S. Wentworth road by Evans and the removal of gravel for construction purposes.

Sincerely,

Richard Borger, Sr.
John Cormiea, Jr.
Dick Gowen
Paul King
Carroll Kinne
Arthur Morrison

AUDITOR'S REPORT

This is to certify that we have examined the foregoing accounts of the Selectmen, Treasurer, Town Clerk, Library Trustees, Collector of Taxes, and Town Trustees for the Town of Wentworth, NH, for the year 1994, and find them correctly cast and properly vouched.

Respectfully Submitted,

Janice Comeau
Raymond Hutchins
Auditors

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Wentworth, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs;

You are hereby notified to meet at the Wentworth Elementary School in said District on the eleventh day of March 1995, at 3:00 o'clock in the afternoon to act upon the following subjects:

Article 1: To see what action the District will take relative to the reports of agents, auditors, committees or officers.

Article 2: To see if the District will vote to authorize the School Board under RSA 198:20-b to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money.

Article 3: To see if the District will vote to raise and appropriate \$14,000 (fourteen thousand dollars) for the purpose of tuitioning district Kindergarten students to a Board approved Kindergarten program. The Board recommends this appropriation. (Majority vote required)

Article 4: To see if the District will vote to raise and appropriate \$6,364.00 (six thousand three hundred sixty-four dollars) to fund co-curricular activities and transportation. The Board recommends this appropriation. (Majority vote required)

Article 5: To see if the District will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) to add to the existing Capital Reserve account for the removal and replacement of the underground storage tank. The Board recommends this appropriation. (Majority vote required)

Article 6: To see if the District will vote to raise and appropriate the sum of \$13,000.00 (thirteen thousand dollars) to fund the half-time Chapter I program. The Board recommends this appropriation. (Majority vote required)

Article 7: To see if the District will vote to raise and appropriate the sum of \$5,193.00 (five thousand one hundred ninety-three dollars) to fund an art program. The Board recommends this appropriation. (Majority vote required)

Article 8: To see if the District will vote to raise and appropriate the sum of \$5,992.00 (five thousand nine hundred ninety-two dollars) to fund a part-time music teacher. The Board recommends this appropriation. (Majority vote required)

Article 9: To see if the District will vote to raise and appropriate the sum of \$6,143.00 (six thousand one hundred forty-three dollars) for teacher

and support staff raises and associated fixed costs. The Board recommends this appropriation. (Majority vote required)

Article 10: To see if the District will vote to raise and appropriate the sum of \$503,395 (five hundred three thousand, three hundred ninety-five dollars) for the support of schools, for the salaries of school district officials, employees and agents and for the payment of statutory obligations of the District. The Board recommends this appropriation. (Majority vote required)

Article 11: To transact any further business which may legally come before the meeting.

Given under our hands this 24th day of February in the year of our Lord nineteen hundred and ninety-five.

PRINCIPAL'S REPORT

Enrollment at the Wentworth Elementary School during the 1994/95 school year is 86. The student population has increased by 2 students from school year 1993/1994. Grade distribution of students is as follows:

Grade 1 - 9	Grade 2 - 11	Grade 3 - 13	Grade 4 - 11
Grade 5 - 12	Grade 6 - 7	Grade 7 - 13	Grade 8 - 10

Grades 1 & 2 are taught by Mrs. Paula Houde, a third year teacher. Grades 3 & 4 are taught by Ms. Julia Robinson, who is in her fifth year at W.E.S. Ms. Patrice Mitchell, a third year faculty member, teaches Mathematics and Science to grades 5 through 8. Mr. Daniel Kenney, a first year faculty member, teaches Language Arts and Social Studies to grades 5 through 8. Teaching Principal, Don Weisburger is the Physical Education Instruction for grades 1 through 8.

Mrs. Miriam Freeman is the Special Education Coordinator at W.E.S. She addresses the needs of students through Individual Education Plans (IEP). Mrs. Freeman works in unison with the classroom teachers and special education aides to provide an appropriate education plan.

Music education is skillfully taught by Mrs. Tamara Graham. Students look forward to and enjoy our music program.

Ms. Beth Zelenak coordinates the Reading Recovery Program at W.E.S. It is a reading and writing program for 1st and 2nd grade students who are having difficulty achieving success in these areas. It is an early intervention program that effectively addresses students needs.

Our support staff is very strong again this year. Mrs. Carol Mitchell is the school secretary; Mrs. Karen Nystrom, Mrs. Bonnie Roberts, Ms. Wanda Adams, Mrs. Pat Height, and Ms. Beth Zelenak (half-time) are our outstanding classroom special education aides; Mrs. Kathy Evans and Mrs. Lorraine Gove preside over our school lunch program; Mrs. Carol Mitchell keeps our school building in tip-top shape; and Sue Michalski and Lory Grimes address our health needs as school nurses. Thank you all!

We were fortunate to have Emile Birch as our artist in residence from October to January. The hands-on projects he coordinated in wood and clay with the students were truly wonderful.

Fifteen new computers were brought into W.E.S. during the 1994/1995 school year. The students now have access to 32 computers for learning. Students are taking keyboarding, and are utilizing the computers for invaluable learning opportunities.

Once again, during the winter season, the entire school participated in a skiing

and skating program at Waterville Valley. The teamwork and effort on the part of the students, faculty, parents and community members has made this an enriching experience for all.

I would like to thank the community for the support and volunteering you provide the students and the school.

Respectfully submitted,

Don Weisburger
Principal

FOOD SERVICE REPORT

1994 - 1995

The school lunch program has been well supported by students and faculty alike. Enrollment is averaging 86. Good nutrition plays an important role in keeping our children alert to the subjects they are being taught.

Our breakfast program has become very popular with participation of about 35 children each morning.

This year we were able to purchase a new kitchen range to replace the original one. The new stove has been a great help in meal preparation.

Thanks to my assistants, Lorraine Gove and Barbara Dow Russin, to the parents, children, faculty, staff and everyone that has helped make the past year a great success.

Respectfully submitted,

Kathleen L. Evans
Food Service Director

SUPERINTENDENT'S REPORT

It is with pleasure that I respectfully submit my second annual report as Superintendent of Schools. I have chosen the following areas of emphasis:

1. Change process at the high school
2. Student population increases
3. Health curriculum
4. Technology
5. Relationship with the college

We are in the process of developing a collaborative decision making model to guide the change process at the high school over the next several years. This process will involve parents, business leaders and other community members as we more clearly identify our mission and goals for students in light of the demands our students will face in the future. For the high school to be successful with each student, we must insure many things. One is that our programs and instruction must be done as a K-12 effort. This continuity and consistency will do much to ensure that students move smoothly from grade to grade and teacher to teacher. This is well underway with the involvement of K-12 staff in the development of curriculum. The result will be a more closely aligned and well articulated curriculum from elementary to high school.

Another is that we are moving rapidly into "the information age." Just as our society moved rapidly from an agrarian age to an industrial age, we are now moving from an industrial society to one that relies on the development of, access to, and distribution of information. For us to insure that students will have the necessary skills to succeed in the 21st century, it is necessary to commit ourselves to the goal that every student possible will go on to some form of post-secondary education. This can take several forms running from one to four year programs and varying from vocational and technical to liberal arts and scientific.

This means we must change the way we teach students. It is more vital than ever to stress the skills of reading, writing, mathematics and technology. In addition, we need to nurture and encourage students to aspire to high expectations and strive to achieve their dreams. We will need your help to accomplish this standard and you will be hearing more about our efforts and ways for you to become involved as the 1995-1996 school year progresses.

While we are trying to improve curriculum and instruction, we are also faced with an ever growing student population. There are 660 students at the high school at the present time. In the next three years the high school will grow to approximately 900 students. This has implications for staffing and space. While the high school will be able to absorb well over 100 students for the 1995-1996 school year, it will not be able to sustain growth of that magnitude for very long. As a consequence there will be discussion about the needs for additional space. This year the high school board has asked to have an article in the warrant to discuss the

possibility of establishing a capital reserve fund for a future addition. The hope is that such a fund will minimize the peaks and valleys that occur to the tax rate if efforts are not made to plan ahead.

Thornton is also facing a rapidly growing student population. The school has grown very quickly from 190 to 230 students with a projection of 260 students by 1999. This is a significant growth pattern for a small school and it necessitates decisions regarding some form of addition. Increasing student enrollments can also become a concern for other schools within the SAU as the economy slowly strengthens.

During the past two years, our professional staff has worked very hard to develop a health curriculum for Grades K-12 which reflects community consensus. We have worked with a community based group of 72 people made up of parents, clergy, business leaders and others to develop a curriculum that reflects the values of our communities. In addition, we have held public forums in each community to receive input from parents. As a result, we have developed a K-12 health curriculum which covers ten component areas. Approximately 10-15% of the curriculum covers sexuality issues in a very straight forward, matter of fact manner. In addition, and one of the strongly supported results of this work, is that the value of abstinence will be a key area of emphasis. I am very proud of the work the members of the committee have done in this area. They have approached the project in a very sensitive way. They have encouraged and welcomed open dialogue and made the effort to develop a curriculum that they would want their own children taught. As a result, the content and the value of abstinence are sincere.

Technology has become the fourth basic skill after reading, writing and arithmetic. A technology plan was developed for the SAU three years ago and as a result it recommends that 1% of the budget annually be devoted to technology. In addition, the high school has recently completed its own study of technology with the participation of business and community members. They also endorse at least a 1% budget for technology in the future. You will see this reflected in an article in the warrant for the high school and will begin to see this reflected in elementary school budgets as well. By perusing budgets you will soon conclude that this may not be possible every year because of uncontrollable financial issues such as the loss of revenues or increase in special education costs. Over the next few years, we will do our best to honor this recommendation.

I also want to take the opportunity to express my ongoing admiration for the commitment that Plymouth State College has made to working with and assisting the public schools in the area. This has not only extended to such traditional contacts as student teachers and methods students, but also in efforts made in the area of computers and technology, the theater program, the arts, as well as staff training in such areas as mathematics and language arts. The college has also helped us with special projects such as improving kindergarten programs and seeking common grants for both training and equipment in a number of areas. The staff at the college is always accessible and helpful. I am proud of the strengths of the schools within the SAU and am grateful that one of the contributing factors is the college's support

and involvement.

This report would not be complete without expressing my appreciation to our community members, board members and professional and support staff in our schools. There is a strong desire here to develop and sustain quality schools. This is a refreshing and motivating factor for me and I greatly appreciate the support and encouragement that many of you have extended.

Respectfully submitted,

John W. True, Jr.
Superintendent of Schools

EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1993-1994

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amounts paid to the Superintendent of Schools as per the following quotation: "Reports. Each Superintendent of a School Administrative Unit shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district and their share of same . . . Said report shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the Unit."

One-half of the School Administrative Unit expenses is prorated among the several school districts of the unit on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$63,517 which was received by the Superintendent of Schools of School Administrative Unit #48 during 1993-1994 was prorated among the school districts comprising the School Administrative Unit. Allowance for \$2,400 travel within the Unit was also prorated as stated above.

The salary of \$55,462 for the Assistant Superintendent during 1993-1994 and travel allowance within the Unit for \$2,400 was prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

<u>District</u>	<u>Adjusted Percent</u>	<u>Supt. Salary</u>	<u>Supt. Travel</u>	<u>Asst. Supt's Salaries</u>	<u>Asst. Supt's Travel</u>
Campton	14.35	9,114.69	344.40	7,958.80	344.40
Holderness	14.94	9,489.44	358.56	8,286.02	358.56
Plymouth	17.35	11,020.20	416.40	9,622.66	416.40
Pemi-Baker	24.61	15,631.53	590.64	13,649.20	590.64
Rumney	6.50	4,128.61	156.00	3,605.03	156.00
Thornton	9.83	6,243.72	235.92	5,451.90	235.92
Waterville Valley	8.80	5,589.50	211.20	4,880.66	211.20
Wentworth	3.32	2,108.76	79.68	1,841.34	79.68
Ellsworth	.30	190.55	7.20	166.39	7.20

INDEPENDENT AUDITORS REPORT

To the Board
Wentworth School District
Wentworth, New Hampshire

We have audited the accompanying general-purpose statements of the Wentworth School District as of and for the year ended June 30, 1994, as listed in the table of contents. These general-purpose financial statements are the responsibility of the Wentworth School District's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Wentworth School District as of June 30, 1994, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The individual and combining fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Wentworth School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

GRZELAK AND COMPANY, P.C., CPAs
Laconia, New Hampshire

November, 10, 1994

A copy of the Audit of the 1992-1993 School District financial transaction may be reviewed at the Superintendent of Schools Office.
